PLEASE NOTE TIMINGS MAY BE CHANGED BY THE ORGANISERS.

DETAILS Please note that the public will be onsite from 4pm on Friday, so cars will need to be moved by about 3.30pm. If you arrive after this time, we will have easy access directly to the rear of our camping area, as metal fencing will be opened, but we will not be allowed to have vehicles actually on the camp. Please can we all pitch in to help new arrivals unload. No tents are to be pitched blocking this easy route in please.

If arriving Saturday morning, please ensure your vehicle is offsite by 11.45am. I do not yet have confirmation of when vehicles will be allowed back on-site Saturday evening.

Cars will be parked behind our camping area, secured by metal carrier fencing. The whole site has 24 Hour security.

NOTICES When arriving onsite from Thorne Road (please see the entrance marked on the map) please be polite and follow the directions from the site organisers/marshals. Please be patient if there are any miscommunications. If there are any issues, please call Catherine on 07722171668.

Modern campers will be directed to their area – please erect your tent and then remove your vehicle outside the camping area to allow room for other campers. This area will also have 24-hour security. Please be mindful at all times and decanter drinks into an authentic container.

Raised fires only please, please dig fire pits and replace turf.

Dogs are welcome but must be kept on a leash at all times.

Please make sure our display area is clear of litter before we leave the site and take any recycling home.

NOISE CURFEW Please be mindful of other people on the site and keep noise to a minimum after midnight unless an earlier time is requested by the Organiser.
